Dear parents and former students,

The International Tae Kwon Do Academy is a private school and club. Just like most other private schools and clubs, the members or students may not come and go. Of course, everyone is free to go. I will give students a prorated refund if they drop out during a session, but students may return only under the following conditions.

1. If a student moved out of town, and returned, they are welcome rejoin the program.
2. If a student had to leave due to an injury, or illness and we discussed taking a session off, the student may return to the program.
3. If a 5 or 6 year old student tried the program, and we determined that they were too young, then the student may reenroll as a beginner after 1 year.
4. Any current student who wanted to join a class that was full may join the waiting list and rejoin the class once a spot opens up.

Students who drop out to attend other programs or activities, may not return to this program. The YMCA allows members to drop out and reenroll. I recommend the YMCA martial art program for students who are interested in a part time program.

Thank you,
Brian Malik
