The schedule is flexible in the spring. Most students play spring sports, schedules vary from week to week. When it rains, many students make up classes. When its sunny, many students have make up games and miss classes. Some classes will be crowded and some classes will be small, and we'll deal with that. Unfortunately, some students drop out because they know that they will be busy in the spring. This is a 4 quarter, 32 week program with an optional 8 weeks of summer classes, and a fantastic summer camp. The spring session may be difficult for some, but it is only 8 weeks. If you do not intend to return, please let me know, and we will cancel our membership agreement.
